**Motion Picture and Video Lighting** Blain Brown

***Motion Picture and Video Lighting***, Second Edition, is the indispensable guide to film and video lighting. Written by the author of the industry bible *Cinematography*, this book explores technical, aesthetic, and practical aspects of lighting for film and video. It will show you not only how to light, but why. Written by an experienced professional, this comprehensive book explores light and color theory, equipment, and techniques to make every scene look its best.

Now in full color, ***Motion Picture and Video Lighting*** is heavily illustrated with photos and diagrams throughout.

This new edition also includes the ultimate 'behind the scenes' DVD that takes you directly on a professional shoot and demonstrates technical procedures and equipment. In addition, 20 video clips include lighting demonstrations, technical tests, fundamentals of lighting demos, and short scenes illustrating different styles of lighting.

### From reader reviews:

#### Gregory Phipps:

What do you consider book? It is just for students as they are still students or the idea for all people in the world, what the best subject for that? Just you can be answered for that question above. Every person has several personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book Motion Picture and Video Lighting. All type of book would you see on many resources. You can look for the internet solutions or other social media.

#### Margaret Honig:

Reading can called head hangout, why? Because if you find yourself reading a book mainly book entitled Motion Picture and Video Lighting your head will drift away trough every dimension, wandering in every aspect that maybe unfamiliar for but surely can become your mind friends. Imaging each word written in a e-book then become one form conclusion and explanation that will maybe you never get prior to. The Motion Picture and Video Lighting giving you another experience more than blown away your thoughts but also giving you useful information for your better life in this particular era. So now let us explain to you the relaxing pattern at this point is your body and mind will be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?

#### Richard Horgan:

That publication can make you to feel relax. This kind of book Motion Picture and Video Lighting was bright colored and of course has pictures on the website. As we know that book Motion Picture and Video Lighting has many kinds or category. Start from kids until teens. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore not at all of book tend to be make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book in your case and try to like reading in which.

#### Samantha Smith:

What is your hobby? Have you heard that will question when you got scholars? We believe that that question was given by teacher for their students. Many kinds of hobby, Every person has different hobby. So you know that little person such as reading or as reading through become their hobby. You should know that reading is very important along with book as to be the point. Book is important thing to add you knowledge, except your teacher or lecturer. You get good news or update about something by book. A substantial number of sorts of books that can you go onto be your object. One of them are these claims Motion Picture and Video Lighting.
