Alexis has it all: looks, smarts and a thuggish mentality. For her, college is more than just getting her education. It's about partying, living every day to the fullest and running away from her problems and her past. She lives her life and does just that.

Alexis loves her life the way it is and doesn't plan on changing; until she meets Henderson. Henderson has everything that she wants. But she soon learns that not everything that she wants is the best for her.

Her story takes us through a tale of lies, sex, deceit, heartbreak and pain. With her relationships spiraling out of control, Alexis is ready to fight for what she wants at all costs. But is the price too much to pay?
