The Body of God: An Ecological Theology Sallie McFague

In *Models of God*, now in a second impression, Sallie McFague dealt principally with immanent models, God as mother, lover and friend of the world. Her choice was a deliberate one, an attempt to balance the heavy transcendence of the Christian doctrine of God. However, she ended the book aware that what was needed is not only immanent models of God, but ways of thinking of God's transcendence in an immanent way. This book is the result.
