The Phantom of Norphlet (Richard the Paperboy) (Volume 11) Richard Mason

It all started with mysterious writing on the town's water tank. There is a specter amongst you. Richard and John Clayton were puzzled, but like the rest of the town they just thought it was schoolboys fooling around. But as the days passed and more messages appeared everyone realized the "specter" or Phantom was evil, and was out to destroy the little village. When FBI agents arrived in town, and a huge reward was posted, the boys could only see dollar signs, and they joined the hunt for the Phantom. It's a madhouse of FBI agents, 14-year-old boys, and the towns' characters colliding in hilarious series of mis-adventures that will keep you enthralled and laughing until the shocking ending.
