Big and Little Margaret Miller

As she did in *Now I'm Big* and *Can You Guess?*, Margaret Miller again creates a world of fun and learning with her lens. Relative size is a concept the youngest children can enjoy as they view a child's hand and an adult's hand, a large block and a tiny block. Each vibrant, colorful spread explores size in a way that will delight young viewers and make for a happy learning experience wherever there are little hands to turn the pages.
