Overview

Cressida Ann Wentworth had it all, but lost it. Until an unforgettable cast of characters helps her realize the truth--that sometimes the end is really just the beginning of exactly what you always wanted.

Blurb

Cressida Ann Wentworth had it all. Until her skirt-chasing, money-hiding, slime ball of a plastic surgeon husband walked out on her and she's left feeling like the world's biggest loser. And perhaps even worse, after worrying about little other than pleasing her soon-to-be-ex for the last decade, she no longer has any idea who she is or what she wants.

Bolstered by her Vegas showgirl mother, her sassy BFF and the world's sexiest architect that she's convinced is really a spy hired by her ex to help further the divorce proceedings, Cressida bravely ventures into society only to discover that--in the posh enclave of Las Olas--she's just committed the trifecta of unforgiveable sins. She's single, penniless and on the wrong side of thirty-five. Now, it's up to her to determine what's next.

In the humorous ups and touching downs that follow, she'll discover who she is, what she's made of and what she really wants, now that she's no longer the well-tended wife of Dr. Cal Wentworth. Along the way, she'll realize being dumped by Dr. Perfect wasn't the end. It was the beginning of something more wonderful than she ever could have imagined.
