Frank Franzetta's paintings and illustrations have set the standard for fantasy artists for the past 50 years. His art continues to exert a tremendous influence over collectors of classic comic and sci-fi art, who pay record-setting auction prices for his original works. This lushly produced, large-format retrospective follows Frazetta's career from his apprenticeships at various publishers in the 1940s, to his 1950s breakthrough with the "Buck Rogers" and "Lil' Abner" series, to his powerfully erotic compositions for the works of Edgar Rice Burroughs and the famous "Conan" illustrations for Robert E. Howard.
