Renal and Urinary Systems (Crash Course - UK) Rob Thomas, Bethany Stanley

Covering all aspects of the syllabus, "Crash Course" offers students a fast way to recap on what they need to know to get through the exams with ease. Styled in an easy-to-follow, readily accessible format, each book is prepared by senior medical students or junior doctors under faculty supervision to give them the correct level of information perfectly tailored to current curricula requirements. The series now includes improved pedagogic features and a fully revised self-assessment section, updated to meet current examination needs.
