The Second World War Experience, Volume 2: Axis Ascendant 1941-42

Richard Overy

The Second World War Experience, Volume 2: Axis Ascendant 1941-42 Richard Overy

The Second World War Experience: Blitzkrieg, describes the slow spiralling to war: from the forging of peace after the First World War to the wars of Italy, China and Japan in the 1930s. It then goes on to document the dramatic events of 1938-41: from the Munich Crisis in 1938 to the defeat of France, from the retreat at Dunkirk to the sinking of the Bismarck. Rare items of memorabilia sourced from around the world bring the era and events to life as never before.
