*This Much Is True*...often described by romance book bloggers as *THE Book To Read* and recently voted by one blogger as part of the *Top Ten in What New Adult Fiction should be...*

**Both on the verge of fame. A ballerina who lies. A baseball player who believes her. Well, the truth changes everything.**

Tally Landon just wants to escape her tragic story if just for one night. She doesn't count on meeting Stanford's baseball wonder, but now she just plans to add Lincoln Presley to her long list of one-night stands. That's the plan. Lying to the guy about her age and her name is just a part of her don't-get-emotionally-attached way of coping. She doesn't count on being found out, falling in love, or ever seeing him again. Ballet is her life; she plans on keeping it that way. But, can she?

Lincoln Presley's life is all mapped out. There is only baseball. With the major leagues circling their favorite prospect with a lucrative offer, he cannot afford to mess up. And, he doesn't; until he meets up with the girl he saved from the burning wreckage on the 101 on Valentine's Day months before. By the time he learns her real name and of all the lies she's told, he's in far too deep to ever really let her go.

When fame and lies tear them apart, one truth remains. And fate? Fate most definitely, has a different set of plans. This much is true.

*This Much Is True* is Katherine Owen's best selling new adult contemporary romance novel. It will take you on an emotional roller coaster ride and is the first book (which could easily be three books (and actually IS sold separately in Parts 1, 2, & 3 by the way)) in the Truth In Lies series. Rest up, carve out some time, and have tissues and wine ready and, perhaps, your drug of choice nearby, at least Advil, and then you'll be ready to dive in. This is NOT your mama's light, little romance, but if you love dark story lines with plenty of angst and turmoil, all mixed up by truth and lies, **READ on...BUY this book.**
