Cats have very distinctive personalities, and every new kitten deserves a name to match its looks and character. Prince might be the perfect name for a pussycat of regal appearance--though Yogi would be a better fit for a comical cat who always gets into mischief. Those two plus 998 additional names fill this entertaining and informative little book, written to inspire soon-to-be cat owners. They'll find names to match not only their kitten's personality, but also to reflect their own tastes and interests, all names presented in alphabetical order. And while trying to decide on that perfect feline name--whether it be Pinocchio or Picasso, Hercules or Hamlet--cat owners can delight over the dozens of enchanting, comical, and endearing color photos of kittens at rest and at play.
