Hi! My name is Doogie Beshea. This is me giving mom ideas for writing this book. From the time I was rescued as a kitten until now, I turned out to be a big boy. I weigh almost 22 pounds and almost 15 inches tall, not including my tail. I'm really handsome! Don't you think so too? It's really exhausting coming up with ideas.

In this book I talk about all the things that have happened to me. From getting a new, family, home, lots of toys and most of all, all the food I can eat; to fighting the Fire Dragon, trying to kidnap the stuffed turkey, and climbing the Christmas tree. I'm good at getting into trouble, but both of my masters always come to my rescue.
