Learn About The Wives And Families Of The First American Astronauts In A Fraction Of The Time It Takes To Read The Actual Book!!! Today only, get this 1# Amazon bestseller for just \$2.99. Regularly priced at \$9.99. Read on your PC, Mac, smart phone, tablet or Kindle device It is clear that the main objective of this book was to explain what it was like for the astronaut's wives and their families. Being the wife of an astronaut was very different in the 1950s than it has been in the past few decades or even is today. These wives were normal people who were placed in a public spotlight and were forced to deal with unimaginable pressures. The lives and interpersonal relationships of these wives are uncovered in a way that looks past the image that was presented to the world and shows the reality that these women had to face. There were many negative and positive aspects of life for the wives and families of the first astronauts and this book does not leave anything out. There are many political issues that are covered in The Astronaut Wives Club. Politics played an important role in space exploration back in the 1950s. These astronauts and their families became close friends with many high-ranking political figures including the President of the United States. Some of these astronauts even became so involved with politics that they wanted to become politicians themselves. Many of the astronaut's wives had strong views when it came to feminism and political issues that dealt with women's rights. During the 1950s, women in America were viewed as being inferior to men and this book does a great job of illustrating the differences between men and women at the time. The political changes that were taking place in America at the time had a direct effect on the space program and this book provides some good insight into the correlations between politics and the space race. Here Is A Preview Of What You'll Learn When You Download Your Copy Today • How The First Astronauts and Their Families Became Overnight Celebrities • What It Was Like To Be One Of The First Astronauts • Why The Astronaut Wives Had An Impact On Politics And The Meida Download Your Copy Today!
