## **The Majesty of Calmness: Individual Problems and Possibilities** William George Jordan

Calmness is the rarest quality in human life. It is the poise of a great nature, in harmony with itself and its ideals. It is the moral atmosphere of a life self-centered, self-reliant, and self-controlled. Calmness is singleness of purpose, absolute confidence, and conscious power, ready to be focused in an instant to meet any crisis. The basis of happiness is the love of something outside self. Unhappiness is the hunger to get; Happiness is the hunger to give. And Happiness will come to you, in its highest and best form, not because you would seek to absorb it, but,--because you seek to radiate it. The Majesty of Calmness by William George Jordan may be the most important book that you will ever read as it will teach you and guide you to obtaining true personal serenity and happiness through this timeless motivational work in this newly reissued paperback book edition.
