The Clock of Dreams and Spawn of the Winds make up Titus Crow, Volume Two. Crow and De Marigny must be ever vigilant in their continuing battle against the elder gods and their offspring - a war that rages not only on earth, but on other worlds and even other planes of existence. In The Clock of Dreams, Cthulhu, one of the elder gods, sleeps and dreams - dreams so potent, so powerful, that they can warp reality itself. The mysterious clock that is capable of hurling men through space and time, even into the monster's dreams, is De Marigny's only hope of finding Titus Crow and saving him from a soul-destroying fate. In Spawn of the Winds, a group of psychics searches for the Lord of the Winds, only to become his prisoners, trapped on an alien world of deadly cold and endless ice.
