Enter the enchanting world of the Carpathians, where dark adventure, mystery, and love await, and the desires of two daring hearts unite in one irresistible passion. A telepathic hunter of serial killers, Raven Whitney's work has drained her body and spirit, and now, in need of rest and rejuvenation, she embarks on a vacation far from home. The powerful leader of the Carpathians--a wise and secret ancient race that thrives in the night--Mikhail Dubrinsky is engulfed by despair, fearful of never finding the mate who can save him from the encroaching darkness. From the moment they meet, Raven and Mikhail are helpless to resist the desire that sparks between them. But just as fate unexpectedly brings these life mates together, malevolent forces threaten to destroy them and their fragile love. With an additional 100 pages of new material, Christine Feehan's magnificent tale of forbidden love mesmerizes as never before. Experience Dark Prince as it was always meant to be!

Dorothy Saunders:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach
