Check it: I'm Zsa-Zsa. Some call me arrogant, but I call it confidence. You decide when you find out what I'm working with.

First things first--I'm seventeen, but I'm grown and have been for a long time. I have my own ride, my mama doesn't clock my time, and my boyfriend, Ameen, is getting money like you wouldn't believe. There's only one problem: when Ameen gets mad, sometimes he takes his anger out on me. And yeah, maybe I could leave him, but there's no way Ameen could imagine being without me.

So now I'm all confused, especially since my first love, Malachi, is back in my life. Ameen is not giving up without a fight, and no matter how hard I try, the love I have for Malachi won't go away. And did I mention that Malachi has a girl? Needless to say, my days are filled with drama. So this is my story and you need to come and chill with me as I try and see what boy is for me, what love is all about, and if my first teenage love affair will forever rule or ruin my life.
