The Alchemical Keys To Masonic Ritual

Timothy Hogan

The Alchemical Keys To Masonic Ritual Timothy Hogan

This is the first book which establishes a direct link between the rituals of Freemasonry and the practice of both chemical and spiritual alchemy. Albert Pike understood that the symbolic degrees of Freemasonry contained alchemical secrets, but he never put the whole pattern together and showed how. This book shows these connections for the first time. This book is a must for any Freemason who wants to understand the secret meanings behind the Symbolic "Blue Lodge" ritual. Tim Hogan is a PM, 32***KCCH**, **KT**, **FRC**, **PSM-AMD**, and **Knight RC** of the Royal Order of Scotland. He lectures extensively both inside and outside of the United States on Freemasonry.
