REVIEWS

"We are in a transitional time in our history, and our potential as humans is undergoing transformations that will yield new, hybrid ways of being human and living in the world. This is the precise territory of Tom Martin's book, and he maps it carefully and with incredibly subtle precision."

-- John Lent, author of *Cantilevered Songs* and *So It Won't Go Away*

*"Inside **The Bluff Detector** you will taste choice dishes from all parts of the world, from many fields, and many times, prepared by different hands. Bring something of your own and share in the feast - but be warned: it's not always a picnic..."*

-- Iain Marrs, editor and homeopath
