The Tenth Cycle: A Thriller (A Rossler Foundation Mystery Book 1) JC Ryan

A conspiracy thriller. The truth about human history is about to be revealed. Will we be allowed to know the truth?

For thousands of years the truth about human history has intentionally been suppressed and exploited.

For decades scholars have been saying that the truth about human history will be found inside the Great Pyramid of Giza, but up till now no one has ever been able to find it. Those who tried have been ridiculed and persecuted.

Will Daniel Rossler and Dr. Sarah Clarke be allowed to uncover the real and true message? As they come closer to the truth, skepticism out of the academic community is replaced by evil and malicious adversaries, dumping them into a very hostile world where violence, deceit and duplicity become their daily companions.

The mysterious Orion Society with its deranged and psychopathic members, the CIA, the Marines, the Mossad and even the President of the United States become involved. Not all of them have good intentions.
