Two Years Before the Mast

Richard Henry Dana

Two Years Before the Mast Richard Henry Dana

Born into a comfortable and affluent New England family, Richard Henry Dana (who once studied under the great Ralph Waldo Emerson) disconcertingly took to the high seas in 1834 as a common sailor, an experience that would color his classic memoir *Two Years Before the Mast*. Despite his failing vision thanks to a childhood illness, Dana served onboard a merchant vessel, traveling from Massachusetts southward, with stops along South America and in California. A fascinating read for maritime enthusiasts or lovers of history, Dana's *Before the Mast* is a vigorous account of a life at sea in the 19th century.
