Human Services in Contemporary America

William R. Burger

Human Services in Contemporary America William R. Burger

HUMAN SERVICES IN CONTEMPORARY AMERICA presents a complete overview of the helping field, its available programs, and the practical skills you can use in your career. The author presents the history and practice of human services through the lens of a social problems and policy perspective. From one chapter to the next, you'll begin to understand how social, economic and political issues may affect you as a human service worker as well as the people you service. Real-life examples in every chapter highlight material on social policy. Useful information on selected careers within the field are discussed, along with the necessary training and licensor information you'll need if you decide to pursue that career direction. You'll find the book's website to be a great study aid to help you master the concepts of the course.
