Meditations: A New Translation Marcus Aurelius

A new translation, with an Introduction, by Gregory Hays

Marcus Aurelius Antoninus (a.d. 121–180) succeeded his adoptive father as emperor of Rome in a.d. 161—and *Meditations* remains one of the greatest works of spiritual and ethical reflection ever written. With a profound understanding of human behavior, Marcus provides insights, wisdom, and practical guidance on everything from living in the world to coping with adversity to interacting with others. Consequently, the *Meditations* have become required reading for statesmen and philosophers alike, while generations of ordinary readers have responded to the straightforward intimacy of his style. In Gregory Hays's new translation—the first in a generation—Marcus's thoughts speak with a new immediacy: never before have they been so directly and powerfully presented.
