Revelations, Alpha and Omega David Allen Rigsby

"I will open my mouth in a parable, I will utter dark sayings of old, which we have heard and known and our fathers have told us. We will not hide them from our children..." Psalm 78:2-4 TheTruthisHere.com presents Revelations, Alpha and Omega. In its opening scene, the narrator promises "Stories, myths, and legends. I'll show you where they all began. And more importantly, how they end." In fulfilling this promise, David Allen Rigsby's epic tale carries the reader on a mythical tour through time and space, where the inter-relation of religious tales and historical events is revealed. The classic struggle between God and Satan proves to be true! Gabriel told the prophet Daniel that the understanding of end-time prophecy was to be sealed until the end days. Are they here? Revelations Omega chillingly predicted the terrorist attack on the World Trade Towers and Washington DC. So what is next? Readers perplexed by the events of today's world can look to Revelations, Alpha and Omega for understanding, solace, and hope. "Original, enlightening, and provocative...a captivating tale! Rigsby's interpretation casts a light on human affairs which is both timeless and timely." Henry Berry, Editor/Publisher, The Small Press Book Review
