The Life of Michael Servetus: The Spanish Physician, Who, for the Alleged (Classic Reprint) William Hamilton Drummond

There is ONE God; and there is none other but he. Men ifi. 32. The doctrine of the Trinity appears to me so obviously unscriptural, that I am r I sure, from my own experience and that of others, that no one possessed of merely 9i sense will fail to find its unscripturality after a methodical study of the Old and New Testaments, unless previously impressed in the early part of his life with creeds and a flood of speech preparing the way to that doctrine. Inasmuch as the mind is formed, by reason of the variety of tempers, abilities, education, and unavoidable errors, whereby men's understandings are variously formed and fashioned, they do form opinions, whereof some must be erroneous; to say that God will damn them for who are lovers of Him and lovers of Truth, is to rob man of his comfort, and goodness; it is to make man desperate, and God a rant.
