Disability in Islamic Law (International Library of Ethics, Law, and the New Medicine) Vardit Rispler-Chaim

The book analyzes attitudes to people with various disabilities based on Muslim jurists' works in the Middle Ages and the modern era. Very little has been written so far on people with disabilities in a general Islamic context, much less in reference to Islamic law. The main contribution of the book is that it focuses on people with disabilities and depicts the place and status that Islamic law has assigned to them.
