In book two, Fifty Shades of Marker: A Parody, the adventure of Annis Thesia and Bobby Beige continues. This hilarious sequel to the best-selling Fifty Shades of Beige blends humor and crisp dialog into a quick fun-filled read. People can't seem to get enough of EL James' mommy porn book, and neither can the fans of the parody books.

In Book Two, Bobby and Annis continue their weird relationship and like the real book, actually come into some danger, but it's all made up and not really that dangerous.

This is a full 35,000 word mini-novel designed for those who have read the real books and are looking for a light hearted tale of similar escapades. If you know what we mean.
