Legal Writing by Design: A Guide to Great Briefs and Memos Teresa J. Reid Rambo, Leanne J. Pflaum
Through easily understandable hypotheticals, outlines, and writing samples, *Legal Writing by Design* demonstrates how to transform ideas into writing. It demystifies the writing process by explaining the design of deductive and inductive reasoning, as well as analogical thinking. Once that design is understood, writing becomes easy. *Legal Writing by Design* is unique in that it explains how to transform thoughts into writing by explaining the link between thinking and writing. It doesn't just tell the reader to "argue by analogy" or "apply the rule"--it explains the design of the thinking involved in those processes and shows how to transform that design into writing. In clear terms, Rambo and Pflaum give readers the confidence and direction to apply the reasoning skills they already possess to legal writing.
