The History and Theology of the New Testament Writings

UDO SCHNELLE

The History and Theology of the New Testament Writings UDO SCHNELLE

An introduction to the New Testament in classic format, Schnelle's book presents full and up-to-date information about the individual writings with respect to date, author, place of writing, structure of the document, current scholarships, themes and theological aims.

The book, intended to supersede W. G. Kmmel's introduction, informs the reader of all the important historical issues and describes the range of scholarly opinion and literature, preparing the reader to pass judgment. After providing an overview of the development of the New Testament canon, Schnelle then takes up, in turn: the letters of Paul, the Synoptic Gospels (including Q), Acts, the Deutero-Paulines, the Catholic letters, the Gospel of John, and Revelation. With extensive anglicized bibliographies.
