The Premature Ejaculation Control Technique for High Performance

Would you like to make non-stop passionate love for hours instead of minutes? According to the American Urological Association, one third of all men climax with two minutes after penetration. Having, himself, suffered from premature ejaculation, the author, Francis Dewey, discovered this technique by accident and was surprised to learn that it was previously unknown. This wonderful book details simple steps to master and control ejaculation.

Certain positions activate key acu-meridians, which control the ejaculation mechanism while allowing an orgasmic experience. The secret technique is inherent in certain positions that exert pressure on specific acu-meridians not even near the genitals. It's virtually automatic and takes seconds to learn.

Francis shares his knowledge in this handy guide, which will instantly change your life and give you the confidence to be a sexually loaded weapon.

Ladies, don't think this book is for men only. This manual is ideal for the woman interested in teaching her mate to be a Marathon Lover and satisfy her with extended full body orgasms.

In addition to ejaculation control, this ninety-six page, color-illustrated, book covers every aspect of lovemaking including environment, massage, kissing, many variations of intercourse and after-sex protocol. There is also a section on health that explores ways to increase testosterone levels naturally without pills or shots.

Topics covered include:

Premature Ejaculation, Full Body Orgasm, Tantra, Tantric Lovemaking, Sexual Techniques, Increased Testosterone, Oral Sex,
