## **Understanding Love: Marriage Still a Great Idea** Myles Munroe

The traditional biblical view of marriage is under wholesale assault in modern society. As never before, time-honored principles such as trust, respect, honor, and commitment are dismissed as irrelevant or as dusty relics of an outmoded era. As a result, much confusion exists today regarding the true nature and characteristics of this highest and most intimate of all human relationships.

In this frank, honest, and insightful book, Dr. Myles Munroe cuts through the fog of ignorance and misinformation to illuminate marriage as God designed it: a pure and holy institution in which a man and a woman enter into a commitment to become "one flesh" as equal partners in a lifelong union of friendship and companionship.
