**Student Interactive Workbook for Starr's Biology: Today and Tomorrow with Physiology, 2nd** Cecie Starr

The student workbook invites and requires students' active participation, is organized to match sections in the text, and is very easy to use. Each chapter includes interactive exercises, self-quizzes, chapter objectives/review questions, media menu review questions, and integrating and applying key concepts questions and answers. As students write in their responses to the questions, their understanding increases.
